PAST PERFORMANCE**Defense Intelligence Agency, Open-Source Intelligence Integration Center (OSIC)****Period of Performance: August 13, 2023 – August 12, 2024**

ORTETINE performed functions that assisted the government in managing the Finance and Acquisition functional portfolio, investments management, and Capital Planning and Investment Control (CPIC). Assisted the government in establishing goals and targets, monitoring performance, and reporting against acquisition plan and program management performance criteria. ORTETINE supported on-site quality control, review, approval of working papers and findings, and adherence to applicable standards, laws, policies, and regulations. Participated in teams for complex work streams with regular interaction with Financial Management, Comptroller, and Government clients. Applied technical expertise and skills to implement business solutions. Applied experience supporting change management, strategic communications, business process reengineering, and financial management system implementation.
